

### 3D Golf

Golf™ is a product in a world with too little golf.  
that will provide Golf  
for people without Golf. Who experienced the free golf with your friend's demo and are hungry for more but don't want to pay the 12CHF.  
Unlike other similar products, our product has an innovative and more intuitive scoring system.

By next year we we should see a new golf experience for the public to enjoy  
As a validator that Golf™ has become one of the golf games that exist

#### Sprint Goal 1.

Make a ball with physics.

#### Sprint Goal 2.

Inject a hitting mechanic in the game.

#### Sprint Goal 3.

Create a goal (Golf hole)
